TODAY MORROW GETHER

GETTING CONNECTED

Won't you consider a gift of \$360 for your first child and \$300 for each additional child?

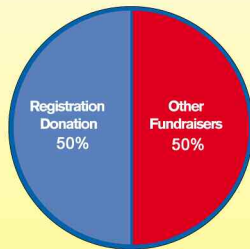

Our contributions for five years have helped make Hidden Hills a top performing school in the State!

It's a minimal investment with a maximum return: \$2 per school day.

Where Do Our Dollars Come From?

\$360 At Registration

Registration Donations account for half of our budget. "Getting Connected" at Registration results in fewer additional dollars needed for each student. Note: This doesn't include the "optional" chorus and instrumental programs.

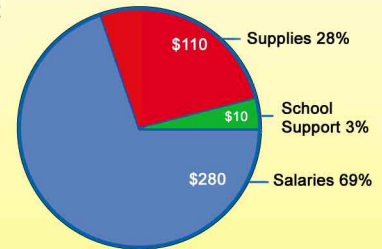

Where Do Our Dollars Go?

\$400 Per Student

Hawks Education Fund's (HEF) target for '09-'10

We accept checks or credit cards (VISA, MasterCard and American Express). A payment plan with three payments can be utilized provided we have your credit card on file.

- 1: At Registration
- 2: September 15, 2009
- 3: October 15, 2009

Basic vs. Premium Education at Hidden Hills in 2009-2010

Contributions to the Hawks Education Fund enable your child to receive a Premium education at Hidden Hills.

360 degrees make a whole circle

\$360 can develop a whole child

Mission:

“We are dedicated to raising funds, through the collaboration of parents, educators and the community, to maintain and enhance the quality of education and the environment of Hidden Hills School.”

Hawks Education Fund Goals

- To provide funds and support to enhance and enrich the education of our children attending Hidden Hills Elementary School.
- To be a conduit between the community and the school allowing people to make financial contributions toward education.
- To inform the community (businesses, residents, parents, etc.) about the educational needs of our children.

Equity

- Every child benefits from our contributions this year.
- All schools in the District request contributions at registration.
 - California inadequately funds public school education.
 - Our District receives less funding per student than neighboring districts.
 - Most of our property taxes don't go to education.

Quality

- Each child receives a well-rounded education at Hidden Hills.
- All learners are provided the opportunity to reach their highest potential.
- Our children directly benefit by receiving: Required supplies and materials; Supplementary instruction in their classrooms; and Additional learning in science, computer, physical education, art, and library studies.

Integrity

- The Hawks Education Fund (Fund) is a nonprofit organization operated in affiliation with the San Ramon Valley Education Foundation.
- The Fund's Board of Directors carefully manages the budget.
- The Fund and PTA are different organizations working together for all of us.

Education of our children is the best investment our society can make for the future. The Hawks Education Fund makes a positive impact with your gifts directly to the excellent education and learning of our children at Hidden Hills Elementary School. Please join us in support of the Hidden Hills Education Fund by getting involved in our 360° Drive and our upcoming fundraising efforts. The students in our school thank you for your support.

Remember! Your donation may be 100% Tax Deductible
