

## President's Message "The Summit"

It is with great pride and satisfaction that I announce the Hawks Education Fund has surpassed our budget goal for the year. Congratulations to you for reaching the summit, a very arduous climb in the midst of difficult climates and terrain. Your fortitude has culminated in the continued financial strength and integrity of our Fund. Thank you for the generous giving of your valuable time and resources.

I take this opportunity to express my sincere appreciation to all of our dedicated volunteers and in particular to our Board of Directors, whose selfless dedication to raising funds for our children's education was done with passion and commitment. It has been my honor and privilege to have served with them. I welcome our new Board who will embark on a new journey with change to address and challenges to overcome.

Our State's budget situation is dire, with impending cuts to our children's education budget on the horizon. The Hawks Education Fund will do everything possible to ensure that our children receive a quality education. That is our commitment to you and your family. In turn, we ask for your continued support in the coming year and remind you to again consider participating in our annual Registration 360 fundraising campaign.

Thank you and see you at Registration.

Grant Kimura
