

Common Cents

We are so fortunate to live in the Windemere community where Hidden Hills imparts a wonderful learning experience to our children. It was good common sense that brought us here, and it's our choice to give back our "common cents". We take great pride in our school because Hidden Hills provides us with a sense of community, linking us together because of where we live and more importantly, through our common desire to offer a quality education to our children.

Our Hawks Education Fund's mission is to raise funds to maintain and enhance that quality education. Your generosity this year is unsurpassed, even in the midst of economic and political instability. On behalf of our Board, I thank you for your continued support. We are nearing our annual fundraising goal and have two more outstanding fun-raising events coming soon. Join me in thanking all the volunteers who have invested hundreds of hours of their personal time into planning these spectacular events.

"A Night in Rio de Janeiro," our fifth annual spring auction-dinner promises to be a spectacular evening. I encourage you to consider attending if you haven't already registered. Spend some time at our first-time silent auction website. You'll find wonderful items to bid on with all proceeds going to the Hawk Fund.

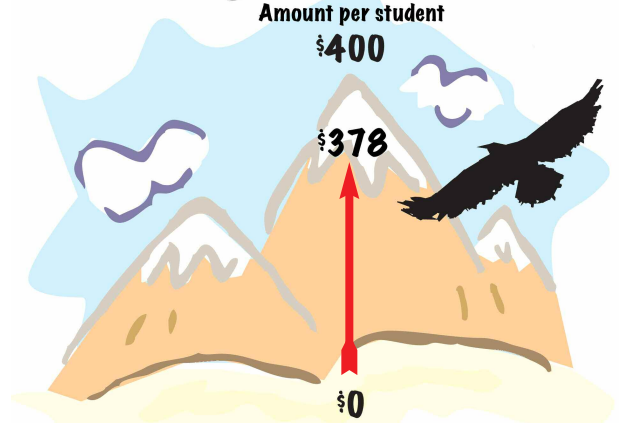

Plan on joining us at our first annual Hidden Hills Golf Tournament on May 17th. It'll be a great opportunity to hit some balls for our school.

Finally, remember, every hour and dollar donated goes to our children's education...it makes sense, it is our "common cents".

Until next time,

Grant
Grant Kimura
Hawks Fund President

Flight Status

Soaring towards our target in 2009!

We have raised approximately
\$325,000 — about 94% of our annual budget!
