

# WEB SITES OF THE WEEK TEACHER TOOLS

February 7, 2007

By Angie Corritone, Hidden Hills Elementary

## **PUZZLE MAKER**

<http://puzzlemaker.school.discovery.com/chooseapuzzle.html>

Create your own – for free! Word searches, math squares, cryptograms, mazes, and more!

## **RUBISTAR**

<http://rubistar.4teachers.org/index.php>

Don't be intimidated by all the text on this page. For a first try at it, go to the "Try it out" link on the left side, or simply view the "Sample Rubrics" a bit further down the list. Once you see how easy this truly is, you'll be hooked! Make a rubric on ANY topic you choose!

## **GRAPHIC ORGANIZERS:**

GREAT stuff to print out or simply browse for practical ideas!

Houghton Mifflin: <http://www.eduplace.com/graphicorganizer/index.html>

Scholastic: <http://content.scholastic.com/browse/article.jsp?id=2983>

Write Design Online: <http://www.writedesigonline.com/organizers/index.html>

## **CUSTOM GRAPH PAPER GENERATOR:**

[http://www.classbrain.com/arteach/publish/custom\\_graph\\_paper\\_generator.shtml](http://www.classbrain.com/arteach/publish/custom_graph_paper_generator.shtml)

## **FREE TEACHER WORKSHEETS:**

<http://worksheets.teach-nology.com/>

Scroll down to the blue section for the list of subject areas.
