Enter any zip code for a forecast. "My Neighborhood" link is fun – see nearby parks, airports, etc.

Dan's Wild Weather Page

<http://www.wildwildweather.com/>

Great kid-friendly 3-5 resource for students and teachers.

K-4 Internet Weather Links

<http://www.uen.org/weather/html/link2.html>

A rare collection of sites for the younger elementary folks. Weather vocabulary, lesson plans, cloud identification activities and also metric conversion resources.

The World of Weather (by The University of Michigan)

<http://cirrus.sprl.umich.edu/wxnet/>

Weather cams, radar and satellite imagery, even ski conditions.

The National Weather Service
