

WEB SITE OF THE WEEK

By Angie Corritone, Hidden Hills Elementary

September 7, 2007

TITLE: WebRangers
AUTHOR: National Park Foundation
URL: http://65.39.199.136/webrangers/entry_gate.cfm

NOTES: Interactive activities, quizzes, story writing, and science experiments. Self-paced exploration – figure out how old a tree is; how do park animals survive in different seasons; what to keep in your backpack in case of emergency.

K-2: Tracking Animal Prints

<http://65.39.199.136/webrangers/activities/whitesands/?id=34>

Guess the animal by description/habitat

<http://65.39.199.136/webrangers/activities/who/?id=39>

History: Yesterday and Today

<http://65.39.199.136/webrangers/activities/yesterdaytoday/?id=43>

3-4: Use the right map

<http://65.39.199.136/webrangers/activities/mapmatch/?id=15>

Arctic Artifacts

<http://65.39.199.136/webrangers/activities/artifact/?id=02>

Tidepools

<http://65.39.199.136/webrangers/activities/tidepool/?id=06>

5th: The Bald Eagle

<http://65.39.199.136/webrangers/activities/baldeagles/?id=29>

American History
