

WEB SITE OF THE WEEK

By Angie Corritone, Hidden Hills Elementary

September 26, 2007

TITLE: Encyclopedia Smithsonian
AUTHOR: Smithsonian Institution
URL: http://www.si.edu/Encyclopedia_SI/start.htm

NOTES: A comprehensive collection of amazing resources on topics in "Art & Design," "History & Culture," and "Science & Technology." Features museum exhibits, but more importantly, informative fact sheets, slide shows, illustrations, and current events. This is one of those sites you can easily "get lost" in...

DON'T MISS:

- The Educator's Corner:
<http://www.smithsonianeducation.org/educators/>
