

WEBSITES OF THE WEEK PUMPKINS & FALL

By [Angie Corritone](#), Hidden Hills Elementary School, Oct. 2008

ALL AGES: Just for Fun: CARVE A PUMPKIN!

http://www.cubpack81.com/images/carve_pumpkin.swf

BRAIN POP MOVIE: Why do Leaves Change Color in the Fall?

<http://magma.nationalgeographic.com/ngexplorer/0209/quickflicks/>

ALL AGES: What to do w/ your pumpkin when you are done with it

<http://www.nwf.org/gowild/kzPage.cfm?siteId=3&departmentId=78&articleId=47>

ALL AGES: Share your passion for **conservation** through unique pumpkin carving stencils from World Wildlife Federation:

<http://www.worldwildlife.org/sites/pumpkins/index.html>

GRADES 3-5: Pumpkins & More (University of Illinois)

<http://www.urbanext.uiuc.edu/pumpkins/index.html>

Pumpkin facts, history. Nicely done. Many ways to tie into classroom Fall themes.
