

Hidden Hills Star Readers!!

Grades 3 - 5

October & November 2009

Your Name: _____
First Name Last Name

Teacher: _____ Grade: _____

Instructions:

Read **10** "just right" books over the course of the next two months. Once you have finished your 10 books, write a "review" of your favorite book (use the form on the back of this sheet). Include the title of the book, an overview of the story and why you recommend the book. Your review will be placed in the library for all Hidden Hills students to read. After you have turned in your form, you will receive a certificate worth points. At the end of the year, you can use all the "points" you have collected over the year to go shopping for fun items in the "Star Reader Store". Don't worry, we'll keep track of your points throughout the year and will have your total when you come to shop in June. The more points you collect, the more prizes you'll be able to "buy".
